Congratulations!

Congratulations to the Radiation Ralliers on their Golden Heart Group award that was received on April 21st. Volunteer Drivers were an integral part of the transportation needed last year when the hospital's radiation equipment was being replaced. Thank you to all of you and congratulations on your award.

With this award is a donation of \$500 that can be split between local charities. The Radiation Ralliers voted for a non-profit of their choice. After the votes were in, 75% voted for Door-Tran for a \$375 donation and 12.5% each voted for Door CANcer and Door County Secret Santa therefore \$62.50 will be donated to each of these organizations.

We are very proud of all of Door-Tran's Volunteer Drivers who meet the needs of many in our community. Thank you to all of you for making it easier for us and our neighbors – it is a pleasure coming to work every day knowing we work with so many wonderful people!
