

### **Repair Grant Program**

### **Program Overview:**

Door-Tran serves Door County residents with vehicle repair grants to meet their need for reliable transportation. The Program Manager will help eligible clients secure a grant for up to \$500 to repair their vehicle. Clients who are eligible for the vehicle repair loan will not be considered for the grant funding. Funds are limited and distributed on a first come first served basis. **Based on limited funding, a maximum of \$500 may be granted per household within a 24-month period.** Grants will be provided as funding is available for up to 90% of the repair and/or insurance expense. The client will be required to cover 10% of the cost and will make that payable to the vendor.

Must be a Door County Resident
